LEVEL 2

An Intermediate class that moves at a steady pace. You will be guided through balanced, focused, and ever-changing Pilates exercises. Suitable for those with some experience on the Pilates equipment.

PILATES CLASS OFFERINGS

INTRO TO PILATES

You will be introduced to the core principles of Pilates as we explore the apparatus. No experience necessary.

REFORMER PILATES

This class uses the Pilates Reformer apparatus. Class will focus on rhythmic, flowing sets of movements which increase strength, flexibility, and stamina while also improving alignment, balance, coordination, and tone. The result of the workout is a uniformly developed body with strong back and abdominal muscles.

CADILLAC/MAT PILATES

This class helps with strength training by integrating your trunk, pelvis, and shoulder girdle all while emphasizing proper breathing. Correct alignment of your spinal cord and pelvis with the incorporation of smooth flowing movement allows you to access each part of your body.

PILATES JUMP BOARD

Jump board simulates running and jumping without the stress on the hips, knees, and feet. This class incorporates Pilates Reformer technique, with Jump board intervals, increasing the heart rate and strengthening the legs without being aggressive on the joints.

CHAIR PILATES

A 50-minute upbeat tempo class, all done on the revolutionary Pilates chair that fuses sculpting, flexibility, and cardio. Not recommended for beginners.
