FACIAL
THERAPIES

SIGNATURE FACIAL
WILDCRAFTED + ORGANIC

This tailored treatment is both luxurious and results oriented. Skin is radiantly regenerated with a skin-softening honey and goji berry mask followed by a refining polish. An herbal mask balances the skin in preparation for nourishing peptide serums and vitamin C for a toned, dewy complexion.

60 minutes, *starting from $290*
90 minutes, *starting from $420*

VALENCIA BESPOKE
BIOLOGIQUE RECHERCHE

A hyper-customized treatment tailored to your Skin Instant©. Your esthetician will select the ideal boosters and formulations to create a personalized, results-driven experience, incorporating manual lifting techniques and Biologique Recherche's signature methodologies. A soothing and sculpting cryostick massage leaves you feeling lifted and refreshed.

60 minutes, *starting from $385*
90 minutes, *starting from $515*

NATURAL LIFT
RESTORATIVE + SCULPTING

Connective tissue massage, or The Natural Lift, is a facial lifting technique that cleanses the tissue from the inside out, drains excess fluid, reduces inflammation, and contours the face. While promoting deep regenerative relaxation and dramatic rejuvenating results, manual manipulation of the face and neck boosts the skin's immunity and accelerate collagen synthesis.

60 minutes, *starting from $350*
90 minutes, *starting from $480*

FOUNDATION FACIAL
BRIGHTEN + REPAIR

Recognized as one of the most advanced approaches to addressing visible signs of aging, this facial features high levels of vitamins A, C, and E, along with growth factors and peptides to brighten skin tone and enhance the appearance of hydration and overall skin health. The 90-minute option includes the added benefit of oxygen infusion and LED light therapy for amplified results.

60 minutes, *starting from $385*
90 minutes, *starting from $515*

THE CURE
DEEP CLEANSING

Designed for congestion, hormonal changes, and acne-prone skin, this treatment begins with a skin analysis and exfoliation to prepare the skin for detailed pore extractions. High-frequency and oxygen therapy help clarify and refine the complexion. The experience concludes with an alginate mask to cool the skin and balance any sensitivity. Customized LED light is included in the 90-minute option to further purify and soothe.

60 minutes, *starting from $385*
90 minutes, *starting from $515*

LIFT & TONE
MICROCURRENT TECHNOLOGY

Stimulating the facial muscles underneath the skin, this lifting and firming facial will help to reduce signs of wrinkles, improve the facial contour and tone of the skin. Environ skincare, combined with microcurrent, boosts collagen production and improves the look of lax skin and fine lines.

60 minutes, *starting from $385*
90 minutes, *starting from $515*

THE EXPERT
CUTTING-EDGE TECHNOLOGY

This non-invasive, highly customized and complexion perfecting treatment uses the most advanced technology and products to dramatically enhance the skin's appearance. Following a detailed consultation with a master esthetician, the use of galvanic, ultrasound, microcurrent, microdermabrasion, oxygen, and LED light technology may be incorporated based on your skincare goals. Every session with our expert estheticians is intricately customized for an immediately visible difference and cumulative benefits over time.

120 minutes, *starting from $760*

BODY TREATMENTS

RESTORE

This revitalizing treatment begins with a full body dry brush exfoliation. While enveloped in an infrared sauna blanket to promote detoxification, feel tension melt away with a therapeutic neck and scalp massage followed by a cooling and toning cryostick facial massage. Rinse in your private outdoor shower and complete your experience with a customized massage, leaving you feeling completely rejuvenated. Recommended for post-workout recovery, combating jet lag, and boosting both immunity and vitality.

90 minutes, *starting from $420*

NOURISHING RITUAL

Quench and revive dry, dehydrated skin with this deeply nourishing botanical ritual. Beginning with a customized massage, the body is then cocooned in a honey-avocado wrap before an aromatic shea butter and mineral salt scrub warmed with lavender, rosemary, and peppermint buffs the skin to a luminous finish. The journey concludes beneath a refreshing rainfall shower on our serene outdoor patio.

90 minutes, *starting from $420*

HERBAL RADIANCE SCRUB

Indulge in a rejuvenating full-body ritual that begins with a warming exfoliation using shea mineral salt, designed to gently buff and refine the skin. After a refreshing rinse in your treatment room's private patio, the body is enveloped in a lavish application of antioxidant-rich herbal shea butter, infused with healing botanicals. Skin is left soft, deeply moisturized, and glowing with renewed vitality.

60 minutes, *starting from $290*

SIXTH SENSE

Treat your five senses—and the sixth will follow. This signature body ritual begins with an aromatic shea butter scrub to awaken the skin and senses, followed by a soothing bath soak to calm the body and mind. The journey continues with a customized massage that includes harmonizing scalp therapy and a hand and foot shea butter treatment, leaving you softened, centered, and renewed.

120 minutes, *starting from $570*

MARINE MINERAL WRAP

Dry body brushing prepares the skin for an ultra-nourishing warm wrap of the highest quality seaweeds. An outdoor shower experience follows in anticipation of a soothing Laminaria oil application to provide vitamins, nutrients and amino acids to the skin. This will leave your skin feeling fresh, firmed, and hydrated.

60 minutes, *starting from $290*

WELLNESS THERAPIES

Our wellness therapies are designed to support balance, renewal, and deep restoration. Each session is guided by experienced practitioners trained in advanced spa modalities that integrate both science and art of healing. Rooted in holistic philosophy, these treatments address the physical, emotional, and energetic body – promoting vitality, resilience, and overall wellbeing.

MANUAL LYMPH DRAINAGE

Alleviate stress, accelerate healing, and reduce inflammation while supporting your immune system. Manual Lymph Drainage (MLD) is applied using gentle, rhythmic motions that follow the body's natural lymphatic flow—enhancing detoxification while supporting the body's organs of elimination, such as the liver and kidneys. Ideal for boosting immunity, reducing post-travel swelling, and supporting recovery.

60 minutes, *starting from $290*
90 minutes, *starting from $420*

THE KUR
WITH GUIDED MEDITATION

Inspired by the European holistic holiday, The Kur rejuvenates both body and spirit. Begin with a soothing soak in a private outdoor bath, allowing nature's elements to calm and ground you. A revitalizing cool wrap follows, paired with a guided meditation to promote inner harmony and deep relaxation. The experience concludes with a therapeutic massage designed to ease stress and encourage restful sleep.

90 minutes, *starting from $430*

WELLBEING RITUAL
WITH GUIDED MEDITATION

Immerse the body in complete and total wellbeing with this bespoke ritual. Begin with a restorative, aromatic soak, followed by dry skin brushing and a body wrap infused with a custom blend of minerals and algae to detoxify and remineralize the skin. While cocooned, enjoy a guided meditation and a facial massage to deepen relaxation. This treatment culminates with a nutrient-rich balm application. This harmonizing experience promotes vitality, purification, and long-term wellness.

90 minutes, *starting from $430*

REFLEXOLOGY

Reflexology is based on the principle that the entire body may be accessed through specific reflex areas in the feet, which correspond to various organs and structures of the body. Rooted in ancient healing practices, this technique uses targeted pressure to support the body's natural functions and overall vitality. This comprehensive therapy is as therapeutic as it is relaxing.

60 minutes, *starting from $290*

THERMASTONE

Utilizing warm and cool river stones to create a deep and penetrating massage, this therapy draws on the principles of thermalism—the therapeutic use of temperature to support circulation, detoxification, and healing. Stone therapy promotes tissue integrity, cleansing, deep relaxation, and the balancing of energy centers.

90 minutes, *starting from $430*
120 minutes, *starting from $570*

MASSAGES

SOOTHING STONE
STONES

This soothing, customized massage uses gently heated stones to release muscular tension, calm the nervous system, and melt away stress. A grounding, nurturing treatment that restores harmony from head to toe.

90 minutes, *starting from $420*
120 minutes, *starting from $560*

DEEP RELIEF
DEEP TISSUE

Slow specific strokes and focused pressure reach deep into muscles while releasing chronic tension. A blend of wintergreen, rosemary, juniper and sage essential oils are used to relieve pain and soothe sore muscles.

60 minutes, *starting from $280*
90 minutes, *starting from $410*

VALENCIA RITUAL
CUSTOMIZED

A fully customized massage crafted according to your individual preferences and needs. This experience begins with an aromatherapy inhalation ritual and will leave you feeling restored, relaxed, and deeply renewed.

60 minutes, *starting from $280*
90 minutes, *starting from $410*
120 minutes, *starting from $550*

ATHLETIC RECOVERY
SPORTS

This treatment utilizes stretching, joint compression and brisk massage techniques pre- or post-workout to help prevent or alleviate the aches and pains of overworked muscles while improving performance. LED light therapy increases circulation and accelerates the body's inherent pain-relieving process while relieving minor muscle and joint pain with subtle warmth.

60 minutes, *starting from $280*
90 minutes, *starting from $410*
120 minutes, *starting from $550*

NURTURE
PREGNANCY

A soothing and restorative prenatal massage that uses pillows to provide full relaxation and comfort. An organic body oil nourishes and supports the skin through each stage of this special journey. This nurturing experience includes a marma point facial massage using crystal wands to encourage energetic balance and a deeper sense of calm. Available after the first trimester.

60 minutes, *starting from $280*
90 minutes, *starting from $410*

BALANCING GEMSTONE

This subtle energy-harmonizing massage addresses imbalances from mental or physical stress, travel or lack of sleep. The experience incorporates four distinctive aromatic, herb-infused massage oils applied with intention in a special sequence. Raindrop herbal oil therapy, a luxurious back massage and a cooling crystal wand facial rejuvenation combine for ultimate transformation.

60 minutes, *starting from $290*
90 minutes, *starting from $420*

FOCUSED FIVE

A targeted massage using skin-soothing herbal shea butter, focusing on the hands, feet, head, neck, and shoulders. This balancing experience concludes with a soothing scalp massage using a nourishing botanical oil.
